**RESPONSE**

In response to the Notice to File Missing Parts of Nonprovisional Application dated February 6, 2002, Applicant respectfully re-submits the indicated Declaration, which was executed by the inventors and originally filed with the patent application on January 2, 2002. Two Declarations were filed together on that date, one with the signature of Sujat Jamil and one with the signatures of Quinn W. Merrell and Cameron B. McNairy. Applicants presume that the second declaration was overlooked during administrative processing by the PTO. Two separate Assignment documents were also filed with the Declarations. Please verify that both Assignments have been, or will be, recorded.

Applicants maintain that no late filing fee is due because Declarations with all required signatures were filed with the application. However, if a late fee is due, please withdraw the correct amount from deposit account no. 02-2666.

Respectfully submitted,

BLAKELY, SOLOKOFF, TAYLOR & ZAFMAN, LLP
